About Alger

Founded in 1964, Alger is widely recognized as a pioneer of growth-style investment management. Headquartered in New York City with affiliate offices in Boston and London, Alger provides U.S. and non-U.S. institutional investors and financial advisors access to a suite of growth equity separate accounts, mutual funds, and privately offered investment vehicles. The firm's investment philosophy, discovering companies undergoing Positive Dynamic Change, has been in place for over 50 years. Weatherbie Capital, LLC, a Boston-based investment adviser specializing in small and mid-cap growth equity investing, is a wholly-owned subsidiary of Alger.
