

CERTIFICATION OF BENEFICIAL OWNERS FOR LEGAL ENTITY CLIENTS

This form is required by federal regulations as a means to identify and document information for individuals who own and/or control a legal entity. If you have any questions about completing this form, please contact Shareholder Services at 1.800.992.3863.

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. A legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in The United States of America or a foreign country. A legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

Do not complete if the entity is publically traded on an exchange or subject to ERISA.
